

## Lighten up your energy bill

Did you know that lighting consumes 35% of a typical commercial building's electricity? Upgrading to energy-efficient, long-lasting LEDs can help you use less. Purchase yours from one of our participating distributors to save instantly on the best and brightest.

### Benefits of LEDs:

- Lower energy use.
- Longer-lasting lighting.
- Less impact on the environment.
- Instant discounts available from participating distributors.

### Ready to save?

Visit one of our participating distributors today.
